

NEW! Revolutionary Design Eliminates Ghosting and Line Artifacts!

Stealth-Core™ sponges have been designed to reshape the industry - literally! The unique angles incorporated into every sponge offers artifact-free viewing and increased stability.

Stealth-Cote™ sponges include a proprietary coating to our unique shapes to add cleanability and durability to every sponge. In addition, **Stealth-Cote™** features antimicrobial protection.

The positioning sponges you've always dreamed about are now your reality! Upgrade all your old technology sponges today!

(The **Stealth-Core™** and **Stealth-Cote™** sponges are Patent Pending.)

Wedge Positioning Sponges

Overall dimensions: width X length X height.
May be larger than traditional style.
